BUBBLY BLUES

Reminiscent of the architecture of the Mysore Palace and historical sites of Srirangapatna, a town located on the outskirts of Mysuru, the new indigo collection features cool blues. This collection is made by the authentic, centuries old dyeing process, creating sustainable livelihood for the artisans linked to this craft.

GLITTERY WONDER

A different spin on the growing trends, the brushed gold collection of faucets can make your space shine. The subdued sophisticated glow on the faucet does not only suit a minimalist theme but also an uber luxurious one. A fusion of traditional items with modern additions, this new range is an absolute head-turner.
