

GRAFF introduces CHARIS, the elegant basin outfitted in sleek stone

■ GRAFF, the worldwide manufacturer of innovative faucets and shower systems, introduces CHARIS, the elegant basin outfitted in SLEEK-STONE®. CHARIS was born to furnish sophisticated bathrooms. The squared and perfectly clean lines make it a unique piece of furniture. Coming complete with a decorative drain cover furthers this concept, allowing the water to flow easily to the base of the basin without viewing the exposed drain. Designed by the G+Design Studio, CHARIS becomes a functional, practical and beautiful piece of furniture to be seen. The collection is available in a gloss white or matte white finish and can be viewed on www.graff-designs.com

UltraTech Cement joins EP100, pledges to double energy productivity

■ UltraTech Cement today announced joining EP100, a global leadership initiative bringing together a growing group of energy-smart companies.

Becoming a member of EP100 reaffirms UltraTech's commitment to driving sustainability across its value chain and accelerating business growth. By becoming a member of EP100, UltraTech has committed to double its energy productivity. Improvement of energy performance is one of the critical levers for UltraTech to reduce the carbon intensity of its operations. This will also provide a strategic boost to UltraTech's low carbon growth target of reducing carbon intensity by 25% by 2021 (2005 baseline).
