SHOWER POWER

The AqusSymphony range provides a bathing experience coupled with softly coloured light and soothing relaxing sounds. www.grohe.co.in

With this overhead shower, the water undergoes a powerful enactment: from revitalising water jet to soothing shower rain. www.axor-design.com

Designed by Davide Oppizzi, this futuristic collection is inspired by the movement of waves. www.graff-bucets.com

Water, light and sound orchestrated in harmonic balance, allow for a deeper sense of wellness. www.graff-bucets.com
