Blueprint Lighting: Master Pitch Lists - Google Sheets

1. **Vescent**, the eclectic new stock contract collection from **Ulster Carpets**, features six contemporary designs—Linea (shown), Arbor, Nebula, Calx, Vapor, and Nexus. Twenty-one colorways range from neutral to experimental palettes. ulstercarpets.com

2. The design of the new Harley collection from **GRAFF** was derived from the stylings of classic motorcycles, fusing an industrial aesthetic with detail work nostalgic of the all-American icons. Conceptualized by GRAFF's G+ Design Studio, the ergonomic shape allows for a variety of grip techniques. graff-faucets.com

3. The Casita sofa from **Country Casual Teak** features a minimalist design with sleek, geometric lines. All pieces have slatted teak bases that allow cushions, which are available in a variety of outdoor performance fabrics, to wick away moisture. countrycasualteak.com

4. The Noble collection's new stately lined side chair, barstool, and occasional chair team up with the loveseat from **Motivo Furniture**. Features include a beechwood frame and tight seat and back. motivofurniture.com

5. Inspired by classic record players, **Waterworks'** Decibel fittings provide sleek design enhanced with special detailing. waterworks.com
