

**Magic of Minimalism**   
 The stunning new luxury faucet collection from GRAFF rests on the design philosophy of less is more. Modern and elegant, the collection beckons you to look beyond the ordinary.

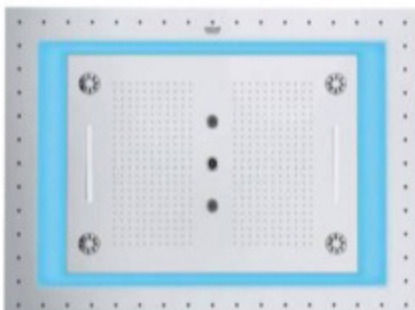

**The Clean Living**   
 Made for your family's respiratory well-being, uAlpine Air Purifier from OSIM protects your family from invisible pollutants in the air. Raise a toast to the age old adage 'health is wealth': It's time you make a conscious decision and take a fresh, deep breath and make it your best friend for the season.

 MARKET UPDATE

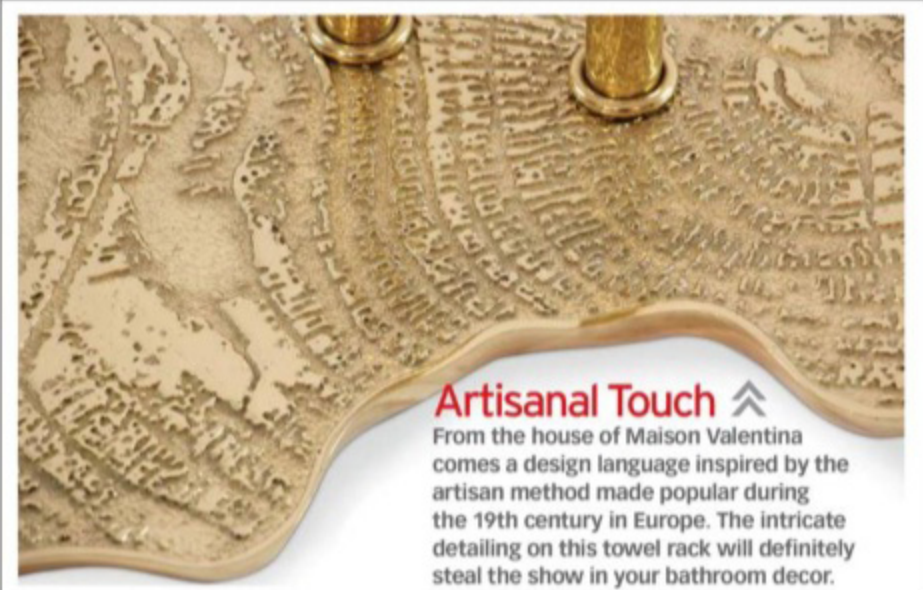

# Kitchens & Bathrooms

The latest on the not-so-small wonders that make our lives so much simpler

FEATURE **MEENAKSHI SHANKAR**

**Personalised Bathrooms**   
 The latest addition to the GROHE F-Series range is here. Transform your bathroom with the Rainshower 40" AquaSymphony.

**Artisanal Touch**   
 From the house of Maison Valentina comes a design language inspired by the artisan method made popular during the 19th century in Europe. The intricate detailing on this towel rack will definitely steal the show in your bathroom decor.
