

HSIL

HSIL has recently launched Zavio, Cravia and Sylvia Duo cooker hoods. Zavio has the advanced heating Auto Clean Baffle technology, with a double layer conical stainless steel filter and a double metal blower. Cravia offers a dual side touch display and remote control. Sylvia comes with a new 2D filter technology and an additional compact horizontal filter which increases the airflow of the cooker hood by up to 25 per cent.

WONDERCHEF HOME APPLIANCES

Wonderchef's latest launches include the multipurpose Nutri Blender Juicer Mixer Grinder which is made from high quality stainless steel micro mesh filter for maximum juice extraction. It has a die-cast metal base for durability, and comes with a powerful 750W and noise reduction technology. The Oven Toaster Griller has stainless steel heating elements and a temperature control of up to 250 o. It also features an auto shut off timer function with ready bell, rotisserie and convection function and a Stay-on function to keep the food warm for hours. Lastly, the die-cast aluminium Caesar Casseroles (featured here) are heavy, classy, elegant and easy-to-use.
