

## Wolf Classic Cabinets

This new line of kitchen cabinets from **Wolf** is made in the U.S. from hand-selected American maple and is available in eight popular door style and finish combinations. Features include durable plywood construction, dovetail drawer construction, and upscale painted doors at the same price as stained doors. **For more information, circle No. 808**

## Jason Wu for Brizo Odin

Part of the new Jason Wu for **Brizo** powder room collection, the Odin faucet is equipped with SmartTouchPlus Technology, which allows users to start and stop the flow of water with a simple touch anywhere on the spout or handle of the faucet. Its hands-free mode activates the flow of water when hands are anywhere within 4 inches of the faucet. An LED light display built into the base of the unit uses shades of light, from blue to magenta to red, to indicate actual water temperature. **For more information, circle No. 805**

## Jado Contemporary Floor Mount Tub Filler

Intended to complement contemporary free-standing bathtubs, the **Jado** Contemporary Floor Mount Tub Filler is designed with a modern, statuesque silhouette. Included with the tub filler is a fully integrated hand shower with a 5-foot decorative metal hose. Ceramic cartridges ensure a lifetime of drip-free performance, and a single-control actuator simplifies use. The tub filler is available in three finishes: polished chrome, brushed nickel, and platinum nickel. **For more information, circle No. 806**

## Sento by Graff

**Graff** premieres the Sento collection designed by the Italian team of Angeletti Ruzza Design. Sento, which means "I feel" in Italian, stays true to its namesake with minimal and sensual design showing no decorative elements or useless details. **For more information, circle No. 807**
