

Breaking the mould of contemporary shower design water sprays from the perimeter of the Ametis Thermostatic Shower designed by Davide Oppizzi for Graff. It has rain and drench settings along with body jets for that extra spa-like feel, plus chromatherapy lighting to create a relaxing atmosphere. Available in chrome, white or black finishes. From £14,879 for the chrome version. [graff-faucets.com](http://graff-faucets.com)
