

Graff

Canterbury reflects a Victorian feel and is available with cross handles, porcelain handles, or metal handles. The whole collection has been developed in several precious and long-lasting finishes. The free-standing faucet (featured here) has soft curves and is perfect to furnish bathrooms with for a classic and timeless look.

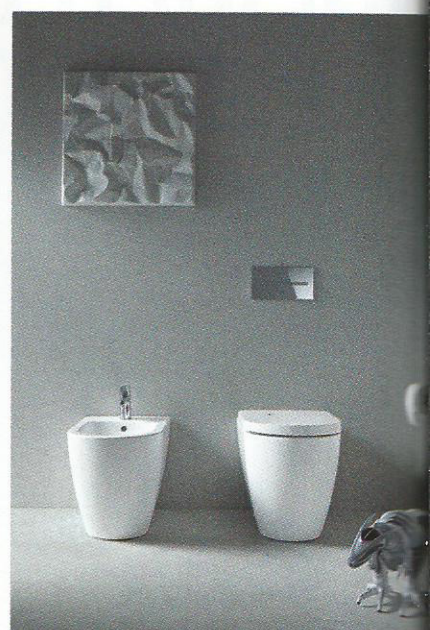

Price on request

Grohe

The new Eurostyle faucet range is artfully sculptured and designed to offer greater user comfort. The new, slimmer 35 mm Grohe SilkMove cartridge is fitted with the Grohe EcoJoy and delivers 5.7 l for reduced water consumption. Grohe Zero technology, with advanced inner water guides, prevents lead from seeping into going into the drinking water.

The basin mixer comes in a range of finishes. Price on request

Duravit

The new ME by Starck is a minimalist range for private and public areas. It offers six versatile washbasin solutions; toilets and bidets; the SensoWash slim shower-toilet seat, with precision hinges that are easy to remove for optimum cleaning; a urinal with innovative rimless technology; as well as bathtubs, shower trays and accessories

Price on request

Villero & Boch

The classic Domicil three-hole basin tap reflects eye-catching details such as the optional black levers and the dome-shaped valve body. The series comes in two tap versions — one with a flat design and the other with a high, curving spout. Available in two high-quality surfaces — shiny Chrome and bright sparkling Champagne.

Price on request

Jaquar

The Tiaara faucet from Artize has a ultra-smooth operation and a mirror-polished solid brass body plated with nickel and chrome. Designed by renowned international designer Michael Foley the faucet comes with a ceramic cartridge for smooth, regulated water flow.

Price on request
