

Earthy Feel

○ This **Blue Leaf Hospitality** custom bathroom vanity was designed for the BodyHoliday LeSport resort in St. Lucia and features a simple, earthy design. The vanity includes his and hers sinks and a functional center draw, as well as a slotted base for holding towels and clothing. WWW.BLUELEAFMIAMI.COM

Vintage Look

○ Conceived by Italian design studio Nespoli e Novara, **GRAFF's Expo Collection** channels the shape of a vintage carpenter's bench. The pieces—including a vanity and washbasin, hanging shelves, and a mirror—are made with high-quality wood. The washbasin sits on top of the vanity with exposed plumbing, creating a spacious look.
