

Bare Essentials ⤴

Lights, camera, action...we feel like a million dollars just looking at the Hollywood bathtub by Devon & Devon. This design deserves pride of place.... Move out the bed, bring in the tub!

STAND OUT ⤵

The humble washbasin has never looked this good! The Outline series by Vitra, is an ode to geometry and a brilliant celebration of shapes. A eureka moment for a drab bath space. Don't you agree?

Much to the delight of its habitants, Häfele launches a state-of-the-art Design Showroom in Pune. Located in Shivaji Nagar, it features an extensive range of luxury home appliances, innovative solutions and architectural design fittings and accessories. This just in: The Design Showroom will soon shop in Chennai too.

Chic & Simple ⤴

The name says it all...Solar is the minimalistic collection of bathroom faucets by Graff that consists of a geometrical composition of forms that align perfectly. Interesting, no?
