

DECOR DIARY

Black Beauty

Cutting-edge style and sophistication finds a brand new address in Kohler's latest collection. The crisp lines give it a sleek aura, while the play of colour cuts across different styles ranging from homestead and industrial, to contemporary and minimal. And for the timeless look, there is always that option of a classy black and white bathroom.

Intoxicating Experiences

Bringing home the best aqua-pressure therapy imaginable, is a decision you won't regret. Jaguar's larger-than-life, multi-functional showers envelop you in sensations inspired by nature's brilliant ways with water.

FEATURE MEENAKSHI SHANKAR

New Age Style

Uncompromising design principles, true to the original purist movement, find a strong place in Hansgrohe's Axor Uno. The defining features give the spout and handles a sleek and elegant look. We love!

Artisanal Touch

From the house of GRAFF, the latest Sade collection is an expression of a unique design. The stylish and contemporary silhouette is an encounter between clean and modern lines with technology and selected materials. The stunning design redefines luxury.
