

4. KAJARIA LAUNCHES EXCLUSIVE RANGE OF FAUCETS AND SANITARYWARE

The world's 14th largest manufacturer of ceramic and vitrified tiles, Kajaria Ceramics has recently entered the bathroom space with the launch of an exclusive range of faucets and sanitaryware under its brand Kerovit. The series includes vanities, countertops, a water closet and a new faucet series called Joy. Their subtle and natural designs seek to add warmth to any bath space.

5. TERRA LINE OF FAUCETS INTRODUCED BY GRAFF

GRAFF, the worldwide manufacturer of innovative faucets, has introduced Terra; a soft and natural-looking collection of faucets. The smooth cylindrical shape seeks to create an atmosphere of harmony in the bathroom. The series is available in several finishes like polished chrome, brushed nickel, matte black and matte white. In line with its strong commitment to environmental sustainability, the Terra collection is one of the most sustainable by the American company.

FYI
The Terra collection is manufactured in solid brass with a limited amount of nickel and lead.
