

mythical royalties : frazer and haws

Frazer and Haw's collection, Mythical Royalties, features sculptures of elephants and tusks shaped as candlestands, tables and bookends. The candlestands are crafted in sterling silver along with 24k gold gilding, while the Mysore table is hand-carved and hand-finished in teak wood with rose gold polish and pure silver sheetwork. The collection also incorporates an elephant glass table and handcrafted sterling silver bookends.
