Functional Solutions

GRAFF introduces MUSA; the artistic and functional contemporary collection in Sleek-Stone® offering users an exclusive and elegant bathroom experience. Sleek-Stone®'s durable properties make its surfaces easy to clean and require minimal maintenance. Soft lines, reminiscent of natural shapes, characterize both the bathtub and the coordinated washbasins. Each product is crafted utilizing a combination of the latest, state-of-the-art casting technology and artisanal processes. Sleek-Stone® is available in a gloss or matte white finish.

Price: On request

Metallic Finish

Orient Bell brings to you ODM Metallica- a metallic finish tile. These tiles are produced by using vitrification process. Such tiles have very low porosity (ability to absorb water) which makes them stain resistant and durable. A layer of glaze is added to the tiles body and is available in various creative textures and finishes such as natural wood finish, natural rustic stone finish etc.
