

## LUNA: ICONIC DESIGN BY GRAFF GOES BLACK & WHITE

Graff Faucet's iconic design LUNA is supreme not only for its distinctive shape, but also for the mirror-like finish. The pluri-awarded Luna collection is available in White and Black finishes. The latest collection is aimed for expanding the possibilities of design solutions through this astounding designs. LUNA evokes a celestial form – an element that shines with its ethereal features in the bathroom, showing its perfection. The Black and White finishes are two of the most resistant finishes among the extremely variegated portfolio. Both obtained through a powder coating process, making the products resistant to scratches, chipping, abrasions, corrosion, fading, and other wear issues. Powder coating is tough, it looks great and it lasts a long time. After expanding its color palette the LUNA is now available in Polished Chrome, Polished Nickel, Brushed Nickel, Steelnox®, White, Architectural Black and Matte Black finishes.
