# THE IDEAL HOME AND GARDEN

**Dangling Gleam**  
Dangling pendant lights offer a streamlined design that illuminates every nook and cranny in your home with total ease.

**Rosy Banana**  
Add just the right metallic touch your walls need by adding this rose tinted accent to your gallery wall or fill an empty space that you're thinking about.

**On A Copper Platter**  
A shimmering decorative tray will look perfect on a shelf, mantelpiece, or in the centre of the table.

**Mix It Up!**  
Don't be scared to mix your metals. Gone are the days of matchy-matchy fixtures!

CLOCKWISE FROM TOP: Manta Gold Leaf Platter and Gold Orbs, Sammasara, Neptunea Floor Lamp, Rocin Bobols, Antique Copper Side Table by Zuiver, available at [designbotschaft.com](http://designbotschaft.com), Day Ceramic Down Light, Garden Trading, Senko collection, GRAFF, Domingo Banana Leaf Wall Sconce in Aged Copper with Artisanal Scandi Light & Rise Pendant Light, Dovey Lighting

**Come To Light**  
Put one on these copper tinted wall lights on each side of your bed and your bedroom will instantly be Pinterest worthy.

**Grab A Chair**  
Copper has a completely understated elegance that simply enhances its surroundings without distracting from the beauty around it, just like this simple copper chair.

**(L)amp It Up!**  
Bring in a copper lamp that gives off just as much glow if the light were off. The best part is it won't matter what color scheme the rest of the room is because metallic always matches.
