

Experience Technology

Adding more innovations to their extensive catalogue, Godrej Interio has launched a novel experience centre in the capital. It is the first-of-its-kind hub wherein one can experience the best of innovations and smart office solutions. The experiential centre will be a great medium to establish dialogue with the new-age customer and showcase unique offerings by the brand.

Vintage Classics

Ashley Furniture's new dining storage units are chic and stylish; and add a dose of glamour to spice up the interiors of any dining space by giving it a vintage look. The range also speaks of timeless elegance of design and detailing. The collection is made of veneers and artificial wood, and is available in variety of designs and finishes.

Mass Appeal

Bosch Household Appliances new range of washing machines, the first-of-its-kind technology for a faster wash less than 60 minutes, available from 6 kg to 9 kg laundry products is fast capturing the imagination of the masses. The machine's variodrum technology along with the unique wave droplet design has special wash programs and wash options. It is specially customised keeping in mind the Indian customer's unique needs.

Wet Room Essentials

Artid'inox has launched their latest bathroom range that includes handwash holder, toothbrush holder, soap case, towel tray and many others. Crafted in ceramic with stainless steel, these opulent pieces exude minimal patterns all over the accessories.

Glittering Beauty

Graff's terra collection of faucets is soft and natural like earth. The faucets are cylindrical, smooth and bright shaped. The series is available in several finishes - polished chrome, brushed nickel, matte black and matte white; and are manufactured in solid brass with a minimum level of nickel and lead with a five year warranty.
