

A Complete Package

Kansai Nerolac has come up with a fresh idea where you gift your home a fresh vibrant coat of healthy home paint by using easy makeover tips to add that extra zing. The ideas include - adorning your home with plants, creating an accent wall, creating a memory wall and finally sprucing up your table decorations

Golden Beauty

Graff's new 18k brushed gold bath fixtures are taking the market by storm through its gracious, curvilinear lines and ornate details. The perfect assortment is a fusion of traditional and modern styles, where finishes help to illustrate the larger design motifs at work.
