

# What's NEW?

Presenting new launches, product features and more from the leading companies

**Kohler** has launched **The ModernLife** collection which features a modern design with simplicity, clean lines and seamless curves that provide a superior blend of comfort and convenience. Every aspect from the rimless bowl to the easy-to-clean FDI coating has been crafted to deliver the ultimate hygiene without compromising on style and aesthetics. It is a perfectly versatile option for a contemporary lifestyle.

**Graff** has presented their extremely innovative design for the bathroom: **the Progressive Cartridge**. Keeping the style and vogue in order, Progressive Cartridge also aims to touch the heights in design and décor. The designs are stylish, wrapped in luxury of innovative mechanism and allowing controlling both cold and hot water with one handle. With tangible benefits in many areas, the Progressive Cartridge is a significant technical novelty inside the company's wide offering.
