

## New range of velvet and chenille fabrics by Zynna

Well known globally for its extensive collection in fabrics, Zynna has come up with its recently launched variety of velvet and chenille upholstery, comprising stylish colours, rich textures, and attractive patterns that can transform a room. This collection offers a unique choice and depth of colours such as hues of silver and gold, with artificial leather as well as natural weaves that make it rich. The assortment is available at Zynna, DLF Phase III, Gurgaon. Zynna has introduced an indulgent-looking velvet fabric that catches light in the room, giving the curtains multiple tonal effects. The velvet

imparts a touch of luxury when used for a bedspread or a throw or even as cushions. Matching up with the velvet, the chenille helps to retain the shine, and brightens up the living room design with its radiance. Consistently being a popular choice, these rich, luxurious fabrics add warmth and texture to bedrooms, dining rooms, and drawing rooms. Zynna magnificently blends both velvet and chenille that can be used for chairs, cushions, curtains, and rugs for various living spaces.

## EXPO by GRAFF – a new bathroom collection

GRAFF, the worldwide manufacturer of innovative faucets, introduces EXPO by GRAFF, a new furniture collection for the bathroom. Developed around a simple wooden frame, EXPO is a creation by Studio Nespoli e Novara. The chest of drawers, made of wood, provides a considerable storing space and the option of a set of practical dividers. The natural and open concept of the EXPO collection is also visible in the mirror: with a wooden structure and a circular shape, the mirror lends a harmonious and symmetrical look. The collection is completed by a unique set of hanging wood shelves with a design that resembles a ladder, resting on the wall. EXPO is available in a matte white varnished finish. It is based on a unique collaboration that depicts experience, guaranteed quality, and innovative ideas on one hand, and craftsmanship, traditional material and design on the other hand. The bathroom collection proposed by GRAFF is designed to furnish a captivating, open environment.

Headquartered in Milwaukee, Wisconsin, USA, with locations across Europe, GRAFF is globally recognised for its trend-setting products and unique vision. Supported since 1922 by extensive plumbing and hardware manufacturing experience, GRAFF has positioned itself at the forefront of design creating collections for the luxury market. Utilising the latest manufacturing technology, and thanks to a tradition of old-world craftsmanship, GRAFF's commitment to creating cutting-edge, and premium-quality collections is evident in each and every product.
