 Naïve Slimtech by designer Patrick Norguet references avant-garde technology. Recalling the look of drawn pencil lines with an interweaving effect, the patterns pair ultra-thin laminated porcelain stoneware and a digitally printed, three-dimensional glazed surface texture.

13 RONBOW
ronbow.com
 DanelonMeroni design studio took inspiration from living room furniture to create the FREE collection. Defined by a linear aesthetic, the modular pieces are available in three sizes: 31, 47 and 63 in., as well as two finishes: light bamboo and white.

14 INBANI
inbani.com
 Modular, minimalist shapes define Strato. The range of standard and door modules is available in three finishes—glossy, natural wood or matte lacquer—on water-resistant MDF. The tops are offered in a choice of glossy, wood or matte lacquer; Corian; SolidSurface; and tempered optical glass.
