

Iconic Lighting

Sans Souci has launched its new lighting collection which features the graceful Whipping Top pendant light. The dazzling, bulbous features of the Whipping Top pendant light present themselves in varying sizes, hanging at various heights, leading to a hint of drama. A classical design artwork, it is enlivened by different shapes and shades. The elegantly shaped shimmery glass bulbs have been crafted from hand-blown piece with an optical pattern that is truly charming. Its classical silhouette exhibits a fresh angle, brought about by the variation in shapes, hues and adornment.

Geometric Design

GRAFF's freestanding FINEZZA Bathtub is characterized by a trapezoidal shape, which is accentuated by a layered detail at the bathtub's top and base. Traditional in its form, and modern in its material, the soaking tub, with an integrated overflow, offers users a luxurious oasis to relax and unwind. Drawing upon the geometric shape exuded by collection's bathtub, the matching FINEZZA sink offers a sophisticated design focal point in the bath. The sink can be specified to the user's liking, with no faucet holes (for wall-mount or vessel faucets), one faucet hole, or three faucet holes and is suitable for counter-top, vanity, or drop-in installations. Both the bathtub and sink offerings are available in White Gloss Sleek-Stone® or White Matte Sleek-Stone® finishes for an alluring warm to the touch feel. **Price : On request**
